## Girl and Boy Scout Grooming Badges

Earn your grooming badge at Normantown! Scouts will learn the basics of horse safety and be shown how to properly groom a horse. The children will be divided into small groups after the demonstration to clean up a horse and prepare a horse for riding. There is no riding instruction included. Sessions are available by appointment only and are limited to days and times when proper staff and horses are available. We can tailor the classroom portion to fit your troop's requirements. The equestrian center does not provide the badges. Sessions are 1 ½ hours long.

Ages 8 & up | \$20 per child | Min. 5/Max. 12
