White Sox Hitting Club

Baseball is a wonderful game but it can be frustrating if you don't hit well. The White Sox Hitting Club will present your hitter with a step-by-step approach to hitting like a Major Leaguer. There are hitting 'absolutes' that must be present in each at-bat to be successful. From Konerko to Swisher to Rodriguez to Pujols, these 'absolutes' make all the difference. We know them and we will teach them to you. It's never too early to learn to hit correctly before bad habits become difficult to fix. Softball players can benefit from this class as well. Once during each 4-week class, former Major Leaguer (Cardinals, Brewers, Phillies) and current White Sox Academy Director Jim Adduci will visit and teach the finer points of hitting. Student-to-instructor ratio will be 10:1 or less. Each student will receive a White Sox Hitting Club t-shirt and Sox Hitting Club manual. Please wear appropriate athletic wear (gym shoes, sweatpants or baseball pants) and bring a baseball bat (if you have one).

White Sox Pitching Club

The White Sox Pitching Club will give you a first-hand look at the pitching mechanics that all great pitchers use! Pitching with accuracy, velocity and minimal arm strain is no accident. There is a process that should be followed from the Big Leagues to Little League. The White Sox Pitching Club will teach you that process. Even if pitching isn't in your plans, throwing correctly is critical to becoming a good baseball player. Get on the mound and get on the right track with the White Sox Pitching Club. Student-to-instructor ratio will be 10:1 or less. Each student will receive a White Sox Pitching Club t-shirt and Sox Pitching Club manual. Please wear appropriate athletic wear (gym shoes, sweatpants or baseball pants) and bring your baseball glove.
