Picnic Shelter Permits

Picnic shelter permits give the holder exclusive use of the picnic shelter for which the permit has been issued on the date specified. All other facilities are open to the public.

Picnic shelter reservations may be made beginning in January for the current year. Picnic shelters are available for rental from mid-April through mid-October. Reservations must be made at least three business days prior to the date requested, and payment must be received at the time of the reservation. All reservations are subject to park availability.

Picnic shelter permits include use of the shelter and the existing set of tables, trash cans, grill(s) and facilities of the pavilion. Additional tables and trash cans will not be provided by the Park District. It is the responsibility of the permit holder to verify the available facilities and provide supplemental items on their own. Groups are encouraged to familiarize themselves with the available facilities and rules of use prior to filling out a picnic shelter reservation request form.
