Inclusion

JBSRA provides inclusion services for individuals who wish to participate in general recreation programs. An individual with a disability can have a beneficial and rewarding experience by participating with their peers without disabilities. JBSRA can provide support to an inclusive experience by training staff, adapting activities, working with behavioral modifications and providing support staff.

Each individual needs to be aware of a few simple guidelines prior to an inclusive experience. When registering, make sure to indicate on the registration form that you need accommodations. Be aware of and able to follow the rules of conduct for the program, with or without accommodations. Be willing to participate in the scheduled activities. JBSRA works cooperatively with you and the Park District to provide reasonable accommodations.

Annual Information Form

Annual Information Forms must be updated once a year, in the summer, or if you are new to JBSRA. The annual information form is designed to provide valuable information that enables JBSRA to offer programs that are safe and appropriate for participants needs. JBSRA understands this information is sensitive and it will not be shared outside of staff working programs with your child. This form can be downloaded at www.bolingbrookparks.org or www.plainfieldparkdistrict.com.

Township Disabilities Committee

Who are we?

We are a committee of volunteers committed to developing productive programs, as well as cooperating with any appropriate public or private entity on the development and administration of such programs, which will aid in the enrichment and self-sufficiency of people with disabilities in our community. Our mission is to bring awareness to the community and enhance the self-sufficiency and quality of life for citizens with disabilities residing within the jurisdiction of Plainfield Township.

With support from the community and the Plainfield Township Board, we have the following to offer:

Medical Aid Loan Closet

Disabilities that are temporary or transitional still present an immediate need for durable medical aids. To avoid purchasing these aids, residents may check them out for free, short-term use. The following items may be borrowed from the Closet: wheel chairs, walkers, transfer boards, toilet chairs, canes, crutches, and shower chairs. For Medical Aid Loan Closet items, contact Monika McMillen at the Plainfield Township office, (815) 436-8308.

Special Events

We sponsor several events in conjunction with the Plainfield Park District. Watch for information on dates, times, and registration in the seasonal Plainfield Park District brochures. Fliers are also sent home from the special education programs within the Plainfield schools. These events serve people with disabilities in the community and their families, including:

- Winter Bowling and Pizza Party at Pioneer Lanes
- Summer Swim Party at the Ottawa Street Pool
- Fall Family Picnic at Village Green Park

Photographs from past events, as well as the above information, are all available at our township website: www.painfield-township.com. Click on Services, then Disability Committee. We would love to expand our support for people with disabilities in the community, but this requires participation! Individuals with disabilities need not live in Plainfield to attend events -- non-residents are encouraged to participate too!

Bowling Party for Plainfield Residents with Disabilities and Their Families

The Plainfield Township Disabilities Committee will host their annual bowling party for those with special needs and their families at Pioneer Lanes in Plainfield. Ramps and bumpers will be available along with shoes. Parents are welcome to stay and observe the fun, or if they wish, to help their child bowl.
