Learn-To-Swim Registration Procedures

American Red Cross Learn-To-Swim Program

American Red Cross Learn-to-Swim classes provide instruction to help swimmers of all ages and abilities develop swimming and water safety skills. They are designed to give students a positive learning experience while teaching aquatic and safety skills in a logical progression. The objective is to teach people to swim and to be safe in, on and around the water.

Policies

During the first lesson, each student is evaluated and adjustments will be made according to skill level. When registering for more than one session, be sure to enroll into the same level for each session. At the end of the session, the student may be moved to a higher level upon successful completion of the current level program content.

DON'T DELAY!
Programs that fail to reach minimum enrollment
5 business days prior to the first class meeting
will be canceled.

Cancellations

Swim lessons will not be canceled due to low temperatures. In the event a lesson is cancelled, the second Friday of the session will be used as a make-up date. Only one make-up per session can be made-up. The Plainfield Park District reserves the right to cancel or change Ottawa Street Pool swim lessons or programs due to insufficient registration or as conditions warrant.
