

## Early Childhood

### EARLY LEARNING

#### 1 2 3 Come Learn with Me - Summertime Fun

Our program is designed to help your child learn and develop age-appropriate social skills in a fun and safe environment. Through weekly themes, your child will be introduced to letters, shapes, and colors. There will also be an opportunity for creative expression through crafts, music and play. Each student will have a turn providing a healthy snack for the entire class. CHILDREN MUST BE TOILET TRAINED. The first day of class is a "Meet & Greet" for approximately 45 minutes. Instructors: Lisa Biga & Lynne Huyser. MB

Program #	Day	Date	Time	Location
21100A1	M/W	Jun. 7-Aug. 4	9:30-11:30 am	RECAD

No class July 5.

Ages 3-4

R \$235/NR \$352.50

Min. 12/Max. 15

#### Kindergarten Readiness

Our class is designed to help your little one prepare for Kindergarten. We will review and work on social skills, motor skills, writing, counting, letter sounds, math activities, skills that children need to know before they enter school. This class will not only help prepare your child for the classroom environment, it will be a great time for them to have fun and make new friends. Each student will have a turn providing a healthy snack for the whole class. The first day of class is a "Meet and Greet" for approximately 45 minutes. Instructor: Lynne Huyser. MB

Program #	Day	Date	Time	Location
21102A1	Tu/Th	Jun. 8-Aug. 5	12:30-2:30 pm	STREA

Ages 4½-5 (must be 4 by 1/1/10)

R \$235/NR \$352.50

Min. 6/Max. 10

#### Letters & Shapes Galore

A, B, C or D....Square or rectangle...which letter or shape will it be? Join us to find out! Each week we will have a variety of fun activities around a different letter and shape. Participants are asked to bring an object to class each week that is related to that letter(s) & shape. Instructor: Christina Antzoulatos. MB

Program #	Day	Date	Time	Location

Ages 3

R \$40/NR \$60

Min. 6/Max. 15

#### Computertots: Animal Adventures - NEW!

A fun and educational class that will teach children about animals using a combination of computer software and crafts. Students will work in small interactive groups to explore exciting activities using a computer and two different software programs during the week. Through these computer activities, they will discover different animal traits and will learn about animal babies, homes, care and sounds among other fun facts. They will also use problem solving and discovery techniques that encourage reading and math readiness while building computer skills. They'll use their creativity and imagination to create animal puppets and creature books which they will take home at the end of class. Instructor: Computer Explorers Staff. MB

### MOVEMENT

#### Salsa Babies

Participants will learn basic steps and simple routines to popular Latin dances, such as Merengue, Cha-Cha-Cha, Samba, Bachata, Mambo and of course the Salsa. Build your dance confidence week after week, while babies shake their maracas and safely bounce their feet to the Salsa beat! This is a perfect class for those who have always wanted to take lessons, but could never convince their partner to take lessons! Classes are suitable for all dance abilities and fitness levels and are designed for new mommies and their infant babies from ages 6 weeks to 12 months. Be sure to bring your front/back carrier or a wrap, water bottle and comfortable clothes. Instructor: Corinne Coffindaffer. MB

Program #	Day	Date	Time	Location

### Soccer Camp

Be prepared for the upcoming soccer season. Boys and Girls will build confidence and self-esteem as they are challenged with many short-term goals over a week. The trained staff will be able to enhance everyone's play, whether they are just beginners or have played on travel teams. Each day consists of stretching and warm-ups, drills and skills, fun competitions, and a strategy session all leading up to a game. Equipment needed: Must bring your own soccer ball and wear shin guards. Contracted service taught by All Star Sports Instruction, Inc. AS

### T Ball League

Designed for children to play and learn at the same time. We strive for everyone involved to have a positive experience with T-Ball so that we are able to help encourage our future stars to grow and develop way beyond the T-Ball years, and have success playing baseball or softball. In our non-competitive environment, the main goal is to have fun! We will cover the fundamentals of fielding, throwing, hitting, and base-running and go over the rules of the game. This is a great league for both the beginner and the little pro. Games will be played! Everyone receives hat and shirt. Everyone must bring his or her own glove. Contracted service taught by All Star Sports Instruction, Inc. AS

## Roller/Inline Skating

Skating can be fun and easy! With so many schools offering skating parties, this is the perfect opportunity to give your kids the confidence they need. Whether a beginner or a more advanced skater, we have something for everyone. We cover safety, starting, stopping, forward cross over, hockey stops, backward skating, skating with a partner, simple jumps and spins and basic jam moves. Parents may skate the warm up times with their kids for FREE! All Saturday class members may stay to skate the public session immediately following class for FREE! For more information, call Skate Aurora at (630) 898-5830. Skate rental is included in the price. Inline skates can be rented at the rink for \$2. AS
