### How to Make Balloon Animals & More

Did you ever want to learn how to make those cool balloon animals that you see at parties? Well now you can. With just a little practice, children will learn the techniques needed to take a plain balloon and transform it into a fascinating balloon animal creation (like dogs, butterflies, swords, etc.). At the end of class children will get to take home all of the things that they made. Parents are more than welcome to join their children in the class (at no extra charge). Instructor: Magic Team of Gary Kantor MB

### Magic Class

Children are guaranteed to have a great time as they learn a collection of fascinating and mesmerizing tricks! Amaze your family and friends with tricks that involve cards, ropes, coins, mind-reading and more. While the tricks may appear difficult, you'll discover that they are quick to learn and easy to perform. All materials are provided and each child receives a magic kit to take home. Children are grouped by age and will learn tricks that are age appropriate. Children can sign up again and again since new tricks are taught at each session. Instructor: Magic Team of Gary Kantor. ### StagePlay Junior

Does your child love to sing, dance, and perform for others? This entertaining program emphasizes the journey toward producing a show from start to finish, while creating a fun environment to stretch dramatic wings. StagePlay Junior is a great introduction to musical theater for kids ages 5-7. Participants will also have an opportunity to perform in the chorus of the StagePlay production of No Strings Attached. The performance on Monday, May 21 will give the cast a chance to show friends and family all that they have learned in only 14 weeks. For more information, email [info@stageplaykids.com](mailto:info@stageplaykids.com). Instructors: Ashley Parker & Kevin Shinplaster.

Please note: Dress Rehearsal: Monday, May 14 (time to be announced). Performance: Monday, May 21 (time to be announced). KR

### Drum Lessons

Chicago's #1 Drum Lessons is ready to make you the drummer you always wanted to be. If it is just for fun, or to make it big in the music business, we can do it! We will teach you the following, technique, drum separation, timing, stick control, double bass, soloing, patterns, workouts and exercises, original fills and beats. Students are also taught to read beginner sheet music. All lessons are recorded on professional video to take home. Students will be contacted by instructor two days prior to class regarding specific lesson time. For semi-private lessons, each participant will get 15 minutes of one-on-one and 15 minutes of observation. Please bring drumsticks to class. The method book is sold through instructor on the first day of class. Instructor: Chicago's #1 Drum Staff MB

### Private Guitar and Bass Lessons

Private lessons are offered for students of all ages in a fun, teacher and student setting. The lessons are offered at 30 minutes weekly for 8 weeks and the cost is \$75. The focus of the lessons will be tailored to the pupil's needs, interests and musical preference. Private lessons are an excellent option for those who are beginning on the instrument, or established players seeking a fresh approach to their music. For more information call the Plainfield Park District at 815-436-8812.

Ages 5 & up  
\$40  
Min. 3/Max. 8

### Jewelry Making Workshop

In this 1-hour workshop students will get to craft their very own pendant made of colorful oven-bake clay. While their pendant bakes, they will choose beads and learn how to string them onto ribbon, hemp or elastic to make a necklace. After the baking and cooling is done, they will add their pendant and finish up their wearable work of art! Instructor: Art Cube Studios MB

Program #	Day	Date	Time	Location
32434A1	M	Jan. 16	11 am-12 pm	ARTCU
32434B1	F	Mar. 16	3-4 pm	ARTCU

Ages 5-12  
\$20  
Min. 3/Max. 8

### African Rainsticks

Students will become immersed in African Arts. Beginning with music-inspired drawings, they will learn a brief history of African culture and how it relates to the Art of Africa. Using historic symbols of Africa, students will combine those in addition to symbols they create of their own. These will be the decoration they paint on their completed rainsticks. In addition to learning Art and Music terminology, students will develop an understanding and acceptance of international cultural awareness through the course of this lesson. They will work individually and together developing both independent skills and teamwork qualities while they create and construct their own African Rainstick using a variety of media: drawing materials, papier-mâché, found objects for noise makers, paint, etc. Instructor: Art Cube MB

Program #	Day	Date	Time	Location
32436A1	W	Jan. 11-Feb. 1	5-7 pm	ARTCU
32436B1	Tu	Apr. 10-May 1	5-7 pm	ARTCU

Ages 10-13  
\$136  
Min. 3/Max. 8

### Valentine Card Making

In this quick and creative 1 day workshop, each student will hand craft 1-3 Valentine's Day Cards of their very own to give to their favorite special people. Using pre-cut shapes and letters, they will embellish a blank card with stickles glitter glue, ink, paper pieces, ribbon and other materials if desired. The message inside will be written by them using cut letters, markers, or stamps. These cards are cute and the workshop is fun! (envelopes included) Instructor: Art Cube Staff MB

Program #	Day	Date	Time	Location
32437A1	Sa	Feb. 4	10-11 am	ARTCU
32437A2	Sa	Feb. 4	11 am-12 pm	ARTCU

Ages 5 & up  
\$20  
Min. 3/Max. 10

### Terrific Tie Dying

Start your spring off right with terrific tie dying. Did you ever want to make your own tie dye shirt? Here's your chance. In this class you will learn the different tie dying techniques to make amazing designs. Each participant will go home with 2 tie dyed t-shirts and a surprise item! All supplies included. Instructor: Kristi Kisich.

Program #	Day	Date	Time	Ages	Location

## Paper Mache Sculptures

Messy Madness? No...just Paper-Mache. Students in this class will get to choose an animal, creature, dinosaur, robot or some other subject matter and construct it three-dimensionally using a variety of materials. When dry, they will complete it by painting with acrylic paints but not any ordinary painting - this will be decorative, vibrant and fun using emphasis and pattern! If your elementary age child is a "hands-on" child, then this class is for them! Instructor: Art Cube Studio MB

Program #	Day	Date	Time	Location
32438A1	Tu	Jan. 10-31	5-6 pm	ARTCU
32438B1	W	May 2-23	6-7 pm	ARTCU

Ages 5-10  
\$68  
Min. 3/Max. 8

## Purse Making Workshop

Learn 2 basic hand stitches in this short 3-hour workshop that ends with you walking home with a new handmade purse. Students in this workshop will take t-shirts, measure and cut them then sew them together to make a purse of their own. If time allows, they will also be able to embellish their new fashion accessory with fabric flowers, buttons and more. Instructor: Art Cube MB

Program #	Day	Date	Time	Location
32439A1	Tu	Feb. 21	1-4 pm	ARTCU

Ages 10-18  
\$60  
Min. 3/Max. 10

## Faux Stained Glass

Using a variety of colored tissue papers and a large piece of mat board, students will be guided through the process of creating a visually appealing design for their own Faux Stained Glass Window. After drawing out their design, they will learn how to transfer their images, cut out the frame using x-acto knives, cut out their tissue papers then connect them all together for a beautiful work of art that hangs in the window to replicate a stained glass work of art. Instructor: Art Cube Studio MB

### 3-D Video Game Design

Learn the fundamentals involved in designing your own 3D video game world with Computer Explorers. With a simple click and roll of a mouse wheel you can modify your world however you want. You will develop and storyboard your game design and learn to place animals, trees, characters, and other items in your own virtual world! You will also learn the basic subsystems and scripting entailed in a 3D game system. If you like 2-D, you will love 3-D! Students will receive copies of their games after the class is complete so they may continue to work on their projects. Instructor: Computer Explorers Staff. MB

### Spring Lacrosse League: Powered By New Wave Lacrosse

Plainfield Lacrosse is growing fast! Directed by New Wave Lacrosse, this recreational league focuses on player development and appropriate levels of competition. Practices will be held on Monday and Wednesdays and games will be incorporated on Saturdays. Quality coaching and fun competition are provided to give your athlete the tools to advance. A New Wave staff member will be on site for all practices and games. Participants will meet a minimum of nine times. Rental equipment is available for \$50 through New Wave. A practice/game jersey is included with the registration fee. Equipment package includes helmet, shoulder pads, gloves, elbow pads, and stick. Adult volunteer coaches are needed for each team. 6 Week League Ages 7-10 or new players - Games will be instructional in nature with on-field coaching and stopping play to make corrections and give appropriate instruction. Ages 11-12 - Games will emphasize skills and mechanics learned in practice sessions and place more of an emphasis on the competitive side of the game. Ages 13-14 - Emphasis will be on skills, mechanics, competition, strategy and some of the more intricate aspects of the game. For rental equipment please contact Kyle Sullivan at Kyle@newwavelax.com Volunteer coaches are needed for each team. If you are interested in coaching please contact Andy at (815) 436-8812 or via e-mail at dunfee@painfieldparkdistrict.com or Kyle Sullivan at Kyle@newwavelax.com

Min. 6/Max. 16

## White Sox Hitting Club

Baseball is a wonderful game but it can be frustrating if you don't hit well. The White Sox Hitting Club will present your hitter with a step-by-step approach to hitting like a Major League player...Exactly like Sox Hitting Coach, Greg Walker teaches. There are hitting "absolutes" that must be present in each at bat to be successful. From Konerko to Swisher to Rodriguez to Pujols, these "absolutes" make all the difference. We know them and we will teach them to you. It's never too early to learn to hit correctly before bad habits become difficult to unlearn. Softball players will greatly benefit from this class as well. Once during each four-week class, former Major Leaguer (Cardinals, Brewers, Phillies) and current White Sox Academy Director, Jim Adduci will visit and teach the finer points of hitting. Student to instructor ratio will be 10:1 or less. Each student will receive a White Sox Hitting Club t-shirt and Sox Hitting Club manual. Please wear appropriate athletic wear (ex: gym shoes, sweatpants or baseball pants) and bring a baseball bat (if you have one). AS

## White Sox Pitching Club

The White Sox Pitching Club will give you a first hand look at the pitching mechanics that all great pitchers use! Pitching with accuracy, velocity and minimal arm strain is no accident. There is a process that should be followed from the Big Leagues to Little League. The White Sox Pitching Club will teach you that process. Even if pitching isn't in your plans, throwing correctly is critical to becoming a good baseball player. Get on the mound and get on the right track with the White Sox Pitching Club. The White Sox Pitching Club will meet for one-hour and fifteen minutes for four weeks. Student to instructor ratio will be 10:1 or less. Each student will receive a White Sox Pitching Club t-shirt and Sox Pitching Club manual. Please wear appropriate athletic wear (ex: gym shoes, sweatpants or baseball pants) baseball glove.

### Basic Skills Ice Skating

These are entry level classes which have been specifically designed for children under the age of five. The most elementary skating skills are combined with fun and games in order to capture and retain the children's attention and concentration. Professional instructors will conduct classes in a positive atmosphere, making learning to skate a fun experience for the preschool age skater. This program offers quality instruction on many comprehensive skill levels using the United States Figure Skating guidelines and standards. Skate Rental is included in your registration fee. AS

will be canceled.

### Rocket Ice Basic 2

Rocket Ice Learn To Skate Basic- Ages 6 years old & up At Rocket Ice Arena, our goal is to provide a fun and safe environment for skaters of all ages and abilities to learn and grow. From Tot to Figure Skating classes, lessons are presented in concise levels with each one focusing on several skills that will be built upon in following levels. After demonstrating mastery of the skills in one level, a student may proceed to the next. Our curriculum works in conjunction with the USFS Basic Skills Program which is taught in quality rinks worldwide. Basic 1-For ages 6 & up with little or no formal experience. The focus is on marching, stopping & 2 foot glides. Basic 2- For skaters who have mastered skills in Basic 1, focus is on swizzles and 1- foot pushing. Basic 3- For skaters who have mastered skills in Basic 2, focus is on stroking and beginning backward skating. Skate rental is available at Rocket Ice Arena for \$3 per day. AS

### Parent/Child Karate

Karate skills put children in touch with their bodies and helps build coordination, agility, strength and poise, as well as personal safety skills all in a well-supervised setting. Karate skills release tension brought on by school and peers. The confidence gained through Karate helps foster a strong positive self-image. The mental aspect of this program is both enjoyable and beneficial. Karate can improve your child's sports, school and social activities. Please note that Parent/Child, Youth and Adult classes train together. Contracted service taught by Illinois Shotokan Karate Club. Fees are per person. AD
